Revival Meeting.

Pastor P. H. Willis, assisted by Rev. E. L. Griffy, of Anderson county, is conducting a revival meeting at the Methodist church. Preaching twice daily, in the afternoon and at night. Bro. Griffy is doing some effective spiritual preaching.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick, of Colusa, Calif., writes. "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Swann-Day Lbr. Co.

Irvine Items.

[Irvine Herald.]

There was a good crowd out to the entertainment Tuesday night, given by the young ladies of Irvine, to improve the walk to the school house, and over \$40 was realized.

Deposit Court is here, and the song of revelry and clunk of the office.

banjo picker are hard emanating from the jail where the festive pistol carriers, disturbers of worship and shooters on the highway have taken quarters under legal proceedings.

There were 16 teachers who took the examination last Friday and Saturday.

R. M. Hopkins will conduct a Sunday School Institute at the Christian church beginning tonight. Mr. Hopkins will be at Station Camp Sunday afternoon for the same purpose where he will be assisted by J. Stafford.

C. R. Watson, of Odas, was in town yesterday and reports that the commissioner for a postoffice at that place has been secured. The people there are indebted to Mr. Watson for this as he has been working faithfully to have this office established for some time.

Shoots a Woman at Winchester.
G. Lee Wainscott, one of the leading merchants of Winchester, shot and wounded quite seriously his sister-in-law, Miss Margie Miller last Thursday night. It seems that Miss Miller and her father were making successful efforts to alienate the affections of Mr. Wainscott's wife, and when he attempted to caress her, they opposed and used the stick and a knife on Mr. Wainscott. He was released on \$2,000 bond.

Phoenix, Ariz., Jun. 4, '03.
Mr. J. E. Burgher,

Editor Times:

Thinking the readers of your newspaper might be interested in knowing something from me about the great Arizona reservoir the Government will begin next fall in the Salt river valley, I thought I would give you some items in regard to it which you can publish if you think they are worthy of any space in your columns.

The dam site is about 60 miles North East of Phoenix near the juncture of Tonto creek with Salt river. The latter enters the canon with high steep cliffs on each side and a narrow bottom in which is located the dam site. The gorge is 200 feet wide at the bottom and the dam will be constructed to stand 285 feet high, of which about 250 feet will be along the river bed. The wall will have a length of 200 feet at river bed, and 450 at the top, and a width at river bed of 200 feet; will taper to a width of 10 at top of dam; will have two tunnels through solid rock, and on each side of dam to let the water through.

Tonto creek and Salt river both have open valleys above the gorge, and a very slight fall. The geological surveyor who made careful surveys and estimates of the Tonto dam, and its surroundings says the combined effects is one of the most capacious reservoir sites in the West.

The foundation and abutments on each side of the river are hard sand stone, and building stone of the same material is close at hand, and also ample material to make portland cement is close by. It is estimated to make a lake of water sufficient to irrigate 175,000 to 200,000 acres of land and will hold water enough when full to cover 1,500,000 acres one foot deep and will cost \$2,500,000. This money will be apportioned among the water users to be paid back to the government in ten annual payments. If 200,000 acres receive the water from the dam, each of these acres will have an annual payment of \$1.25 for ten years. After that, each acre will own its own water rights, and will be out only the cost of keeping up the reservoir and canal. Also, work has begun on the beet sugar plant so long projected as being very important to the prosperity of the valley. They are building it eight miles from Phoenix and about five from my ranch. It is estimated that ten months will be required to build the factory. A bonus of \$40,000.00 was raised to assure the construction of the plant, and several thousand acres of land has been guaranteed to the planting of beets to supply the factory on its first run.

The Eastern Sugar Company will control the new plant. It filed in the Recorder's office a trust deed to guarantee the issuance of \$800,000.00 bonds which are to be repaid by 1918.

The construction will, within itself, be a great help to the valley for from 300 to 500 men will be constantly employed during the remainder of the year in the construction of the plant.

I live on Center street, near the

Indian school, about three miles from Phoenix. You might call it town all the way out as there are houses strung all along on each side of the street. Center street is owned and kept up by a private association which keeps it sprinkled and in good order for fast driving with pony rigs.

Your paper is a welcome visitor to our ranch; it is who will get it first to hear from our old friends in Kentucky. Yours truly,

J. W. VAUGHN.

No Pity Shown.

"For years fate was after me continuously" writes F. A. Gullidge, Verona, Ala. "I had a terrible case of piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for Burns and all aches and pains. Only 25c at Swann-Day Lumber Co's Store.

De Adams' little son, aged about 6 years, got his leg broke yesterday by jumping out of a swing. Dr. Littlepage set the broken member.

Working Night And Day.

The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, brain-fag into mental power. They're wonderful in building up the health. Only 25c per box. Sold by Swann-Day Lumber Co.

K. V. M. A. Meets.

The Kentucky Valley Medical Association met at Torrent last Thursday and Friday in its sixteenth semi-annual session. A large attendance was present, among the number being several visiting doctors. The meeting was pronounced one of the best sessions in the history of the association. The next meeting will be held at Stanton Oct. 15 and 16, 1903.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Only 50c and \$1.00. Trial bottle free at Swann-Day Lumber Co's Store.

They Will Come Back.

Fred Smithers, who moved to Seedorf, Ill., in the early Spring, returned to his old Kentucky home Tuesday satisfied that Kentucky can't be beaten, both as a place to live and as a place to earn an honest livelihood. Others contemplating a removal from the grand old Commonwealth should consider well the experience of some of those who have left before.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Recommendation From Home.

The Winchester Democrat deserves credit for the following:

"Judge Beekner writes to the Republicans of Lee county that in 1899, 'without considering for an instant the personal consequences, I voted the Republican ticket, and am proud of the ballot I then cast.' The plain English of this is that Judge Beckner, in 1899, after going as a Democratic delegate from Clark county to the Democratic convention that nominated William Gobbel and C. B. Hill, and the balance of the Democratic State ticket, in the final election, voted against Gobbel and Hill, and voted for W. S. Taylor and Caleb Powers, instigators, procurers and advisers of the assassination of William Gobbel, and that he is proud of his conduct, and that he took that course 'without considering for an instant' that he was running the risk of being assassinated himself by the bloody gang."

From one standpoint this was a display of wonderful personal courage, while from another it inspires us with pity for a fallen idol."

To Build a New Capital too.

A writer in Saturday's Courier-Journal advocates the building of a new capital city as well as a new capitol and buildings. In any city of the Commonwealth there are objections which would be obliterated in a made to order city. It is proposed to select a site as near the center of the State as possible, not necessarily on a railroad as they will build lines at once to the site, there buy up as much land as can be judiciously disposed of for building purposes. The State can in this way, derive a profit from the building of a suitable capital which will aid materially in the construction of the State buildings.

As the election of a City Council comes off this fall, we don't see why some action as to candidates is not taken. Councilmen should be elected who do something for the town besides levy and collect tax. With the present tax rate maintained we should have every street macadamized and good sidewalks along them. And the \$2,000 now in the treasury should be expended on a bridge across the river. Let prospective candidates speak out on these questions when they announce.

The selection of teachers will come before the Board next Wednesday night. We trust the employments will not be made on a basis of economy, but that the real worth of each teacher will be dutifully considered by

the board. Some teachers, possessing educational ability, may be dear at \$40 or \$50 per month, while the services of others with possibly no better learning are a rare opportunity at the same money. Adaptability and experience go largely to the make-up of good teachers.

Dr. Hillis Billions a Northerner who has a desire to make up Booker Washington's bed as a matter of condemnation for the Southern people who so substantially recognized the Indianapolis chambermaid who boldly refused to perform this errand, should, by all means, be allowed this humble privilege, and he should also, if agreeable with Booker, be allowed to sleep with the negro one night when the thermometer registers a hundred in the shade. That ought to give him greater satisfaction.

The people generally would have more patience generally with certain newspapers, which are now crying for vengeance for the assassination of Mr. McKinley, if they had shown a similar desire to have the assassins of Mr. Gobbel apprehended and hanged. As it is, they cut a sorry figure and write themselves down as hypocrites and jackasses.—Lexington Democrat.

For the satisfaction of those who believe all reports contained in the daily press, it might be reminded to them that only a short time ago it was freely asserted that Judge Hargis was trying to get Jett poisonod so as to get him out of the way, now they say he is guilty because he is making such strenuous efforts to save his neck. "Consistency thou art a jewel."

An observing citizen remarked to us last week that he was afraid we were wasting time, ink and space by trying to get the good roads movement in the hands of the executive authorities. The TIMES, however, will keep hammering at them. The people already realize the benefits to be derived from such improvements, and after awhile will demand them.

The work of the recent grand jury and the proceedings of Circuit Court, were most satisfactory in every way to all law-loving and law-abiding people of the county.

New Oil Well.

The New Ohio-Kentucky Oil Co. struck a good flow of oil in the well they have been drilling on J. B. Eaton's farm at a depth of 700 feet. This makes five good wells this company has in this part of the county. They will drill their next well on Hog creek.

Strayed Cows.

One red cow weight about 1,000 pounds, due to calve. The other a black in color, weight about 600 pounds. Both dehorned. Left my place at Winchester June 6. A reward of \$20 will be paid for their return or information leading to their recovery. FLOYD DAY, Winchester, Ky.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure, is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, act-

ing directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Dr. Miles' Nervine Cured Them Both.

Dr. Miles' Nervine is a specific for nervous disorders. It removes the cause and effects a speedy and permanent cure.

"I feel it is my duty to let you know that your medicines have cured my little girl of nine, of spasms. She commenced having them at the age of three. Our family doctor said she would outgrow them but she did not. We took her to another physician who said her trouble was epileptic fits in a mild form. He did her no good either. She was so nervous she could hardly walk. As I had already used Dr. Miles' Nervine and found it a good remedy for myself I commenced giving it to my child. I gave her in all ten bottles of the Nervine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we commenced the treatment. She is no longer troubled with nervousness and we consider her permanently cured. I enclose her picture. My mother-in-law lost her reason and was insane for three months from the effects of LaGrippe. Six bottles of Dr. Miles' Nervine cured her. My sister has also taken it for sick headache with good results. We all thank you very much for your good medicines and kind advice. I don't think there is any other medicine half so good. I send my daughter's photograph so that you may see what a sweet little girl lives out in Arkansas."—MRS. HANNAH BARKETT, Springdale, Ark.

LOCAL BREVITIES.

Blackberries are ripe and plentiful.

Are you ready to celebrate the 4th?

See notice of srtay cows in this issue.

W. Z. Eubank, of Kiddville, was in the city yesterday.

John W. Newkirk, of Furnace, was in the city Wednesday.

The post office at Puckett will be discontinued after July 1.

Mrs. Laura E. Hall, of Lexington, is visiting friends in Clay City.

W. R. Cassidy was in Mt. Sterling a few days the last of the week.

Elder B. S. Burgher, of Winchester, was here a short while Saturday.

Billie Mansfield, of Rosslyn, is at French Lick Springs for a sojourn of six weeks.

Floyd Day, of Winchester, was here Friday looking after his business interests.

O. E. Lyons, of the firm McCormick, Lyons & Co., was here yesterday on business.

Judge J. M. Benton was in town a short while on Friday and gave us a brief call.

Clifton Tipton, of Donnelly, Lee county, is visiting his uncle, J. B. Tipton at Rosslyn.

Charley Maple is champion frog slayer of this place. His harpoon never misses fire.

C. W. Chess, the Irvine photographer, is sojourning in our midst. He seems well pleased with our town.

Misses Nora Todd and Nannie Christopher, two pleasant young ladies, of Spout Spring, were visiting in Clay City Tuesday.

Bud Kennon, of Hardwick's Creek, sold forty-six hogs which averaged some over 175 pounds, to Conner & Horton, of Clark county at 5 cents.

James Newkirk, who was so badly injured last week by a log rolling from a car and striking him, is getting along very nicely and will likely recover.

For all kinds of choice fruit and confectionery, lemonade and pop on ice, go to Jo. Martin in the Tucker building. His stock is always fresh and clean. Give him a call.

Col. Sam Billings, the merchant prince of Furnace Mountain, and the leading pomologist, of Eastern Kentucky, was here on business one day this week.

W. T. Stringer & Son have the contract to finish up the interior of the Christian church which will be done before the day of dedication the third Sunday in July.

For a lazy liver try Chamberlain's Stomach and Liver Tablets. They invigorate the liver, aid the digestion, regulate the bowels and prevent bilious attacks. For sale by all dealers in patent medicine.

Capt. B. J. Ewen, the star witness in the Jett-White case at

Jackson is a native of this county, and he seems to be well-known to almost the entire county's population.

Rec Woodward and wife are at Lexington visiting Mr. Woodward's parents, Mr. and Mrs. Joel Woodward.

Succeeding a few light showers, the weather has been quite warm the past two days, and it is promised by weather wiseacres that we will have a surpassing warm July.

Owing to a sink in the Hornsback trestle which was being filled at Indian fields, the excursion trains Sunday were several hours late, and many who anticipated going up the road from this point remained at home.

Saturday is fourth of July, and the town is expected to be full of visitors. The game of baseball between the Clay City crack players and the noted Nebraska Indians will be the chief attraction on this day. Admission at this game is only 25 cents.

A strike was threatened at the Mutual Handle Company's works on the 29th ult., and the plant was shut down on the day following. It is reported that the suspension is not permanent, but for a short time only, awaiting the arrival of a competent foreman to take the place of Mr. Rice, resigned.

No man or woman in the state will hesitate to speak well of Chamberlain's Stomach and Liver Tablets after once trying them. They always produce a pleasant movement of the bowels, improve the appetite and strengthen the digestion. For sale by all dealers in patent medicine.

J. B. Eaton has just installed a novel family swing in his handsome residence on Sixth ave. It possesses some unique and interesting features. It is wholly automatic, fans the occupants, rocks the children, strikes the hours, notes the train schedules, collects the livery bills, exterminates the pestiferous fly, and welcomes the martyred book agent to dreams of elysium.

Will Buy it Back.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. Any dealer in patent medicine will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.

Of the five out-of-town students who came to the Clay City Graded school last year and took a teacher's course under Prof. Eubank, all of them have secured schools and certificates. This speaks well for the Prof. as the like of turning out teachers so rapidly from the local school, has heretofore never been reached.

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and cure is certain. For sale by all dealers in patent medicine.

Well made, Ready mades, in ladies' Skirts; New patterns, new styles, lowest prices.

Mrs. J. W. Williams,
Clay City, Ky.

Prof. and Mrs. W. R. Eubank returned home Sunday from a protracted visit to relatives in Clark county. Mr. and Mrs. Jas. Fox accompanied them and paid them a short visit.

The Clay City ball team defeated the Lexington Haymakers Sunday evening by a score of 9 to 4. This is the second time the Haymakers have been defeated by the Clay City team.

Suicides By Hanging.

Charles Dawson committed suicide Saturday evening at his home across the Clark county line by hanging himself with a trace chain. When found he was lifeless and his neck broken. Mr. Dawson, who was a good citizen, has been unbalanced for several months, and this sad and rash act is but a culmination of the intents of a deficient mind. He leaves a wife and three children to mourn his loss.

Valuable Time Saved.

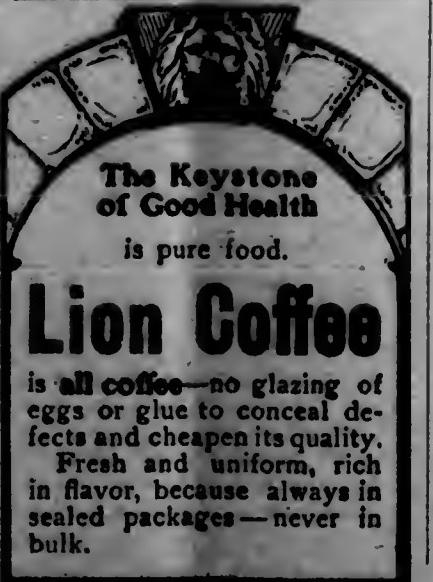

Slight injuries often disable a man and cause several days' loss of time and when blood poison develops, sometimes result in the loss of a hand or limb. Chamberlain's Pain Balm is an antiseptic liniment. When applied to cuts, bruises and burns it causes them to heal quickly and without maturation, and prevents any danger of blood poison. For sale by all dealers in patent medicine.

Baptized a Sick Man.

Elder N. McIntosh was summoned by telephone Monday to the bedside of George Scott, on Judy's Branch near Stanton. The afflicted man was found in almost a dying condition and wanted to be baptized. He was carried a short distance to the creek where Bro. McIntosh administered the ordinance and took him into the church.

Very Remarkable Cure of Diarrhoea.

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bospue county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic Choleea and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The cause was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cent, cured me." For sale by all dealers in patent medicine.

Dragging Pains

2825 Keeley St.
CHICAGO, ILL., Oct., 2, 1902.

I suffered with failing and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Maudie Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

For advice in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.
